

## Annual Tour 2026

### Overnight venues & other accommodation options

Whilst the Annual Tour is a camping event, we understand that some of you may wish to take advantage of some more comfortable local cabin/hotel/motel accommodation.

The following schedule lists the overnight venues and links to local accommodation services. Please take into consideration the distance between any accommodation and our designated overnight venue and note that it is the rider's responsibility to organise the transport of baggage/bikes to and from the official overnight camping venues. In some cases, the accommodation providers may be happy to arrange this for you.
