These apply to all Bicycle SA activities, including but not limited to on-road rides, off-road rides, workshops, training sessions, and other educational or recreational programs.

Assumption of Risk and Safety Obligations

- I acknowledge that participation in the Event may involve inherent risks, including but not limited to riding on public roads, interaction with motor vehicles and other road users, environmental hazards, workshop tools, mechanical equipment, and physical exertion.
- I agree to exercise due care, obey all applicable road rules and safety guidelines, and follow all directions provided by event managers, marshals, workshop facilitators, and official personnel.
- I declare that I (or the child in my care) possess the required skill, experience, and physical capability to participate safely in the Event, whether it takes place on public roads, off-road terrain, or in a workshop or other venue.

Release, Waiver, and Indemnity

- I hereby release, indemnify and hold harmless Bicycle SA, its staff, volunteers, sponsors, agents, contractors, and associated third parties from all claims, liabilities, damages, costs, or expenses arising out of or in connection with participation in the Event, whether caused by negligence or otherwise, to the fullest extent permitted by law.
- This release applies to all types of loss or injury including (but not limited to) personal injury, property damage, economic loss, consequential loss, or death.

Entry and Participation Conditions

- Participants under 16 years of age must be accompanied by a nominated adult who is responsible for them at all times during the Event.
- Bicycle SA shall not be liable for any act or omission of third-party service providers (e.g., transport companies, accommodation providers, venues, etc.). Any resulting loss, injury, or expense must be borne by the participant.
- If provided, individual timing services are managed by a third-party contractor. Bicycle SA accepts no responsibility for any timing inaccuracies or failures.

Youth Participants (12–17 Years)

- Participants aged 12 to 17 may take part in Bicycle SA programs, and workshops with the consent of a parent or legal guardian.
- A parent or legal guardian must sign the registration form and is responsible for ensuring that the young person meets all skill, fitness, equipment, and safety requirements for participation.
- For on-road and off-road cycling events, Bicycle SA may require youth participants to ride under the supervision of a nominated adult. Requirements may vary depending on the complexity, duration, and risk profile of the Event.

- Parents or guardians acknowledge that youth participation carries inherent risks and accept full responsibility for the young person's safety, conduct, and wellbeing throughout the Event.
- Bicycle SA reserves the right to assess whether a youth participant is suitably prepared or capable of completing an Event and may refuse entry or participation where safety cannot be assured.
