

BIKE FUN

A LEARNER RIDER PROGRAM

Looking for an action-packed activity to get kids moving, laughing, and learning these school holidays? Bike Fun is the ultimate Wheels Day experience, specially designed for Out of School Hours Care and Vacation Care centres!

Brought to you by Bike SA, this exciting program gives kids aged 5–13 the chance to build their bike skills, boost their confidence, and most importantly have a blast on two wheels. Whether you've got a small crew or a full squad, we've got the pedals turning and the good times rolling.

WHAT DO YOU GET:

- 2 qualified Bike SA Instructors
- Access to a fleet of bikes for students to use and try
- Program delivery can be tailored to various group sizes
- Fun games and activities for students of all ages and abilities
- Opportunity for students to develop skills and potentially learn to ride for the first time
- Elements of road safety included
- Safety checks of student bikes

HANDY INFO FOR OSHC GROUPS:

- We will come to you!
- Program aligns with MTOP Outcomes
 - Children have a strong sense of identity.
 - Children are connected with and contribute to their world.
 - Children have a strong sense of wellbeing.
 - Children are confident and involved learners.
 - Children are effective communicators
